

Pioneer Picnic

A perfectly pleasurable pioneer party

The Saunders Farm Pioneer Picnic is a themed throwback to simpler times. Our picnic greeters are dressed in pioneer clothes. All activities are built-in and we handle all of the details. Saunders Farm is a working farm and we grow some of our food we provide. We also buy from local farmers at a fair price. We know that locally grown produce is not only a healthier and tastier choice but is better for our environment as it takes less energy to get from farm to fork.
